New Executive Appointments at Company Health Services ([www.chsl.co.nz](http://www.chsl.co.nz))

- Mr Gavin Austin (newly appointed Chief Executive Officer)
- Mr Gavin Hazelden (newly appointed Director)

Mr Gavin Austin, Director of Company Health Services has been appointed to the role of Chief Executive Officer at the Whangarei Head Office of Company Health Services Limited.

Gavin Austin is currently Chief Financial Officer and General Manager Finance, HR and Commercial services for Northland District Health Board.

“Gavin will join Company Health Services to assume his new role in the month of March” say Dr Jim McLeod, Co-Founder and Director.

“We are delighted that one of the original founders has joined the executive and look forward to Gavin leading the company as we develop a nationwide franchise operation and implement a number of exciting new initiatives for our clients.” Says Karen Heffey, Co-Founder and Director.

Gavin is a Chartered Accountant and the Northland Councillor for the Institute of Chartered Accountants of New Zealand.

“As part of our growth strategy we are also very pleased to announce the appointment of Gavin Hazelden as a Director to Company Health Services.” Says Dr Jim McLeod.

Company Health Services Limited provides total Health and Safety Solutions. As a market leader it provides true nationwide coverage from full turn-key Health and Safety solutions across multiple high risk workplaces through to single service solutions such as workplace vaccinations or pre-employment testing.
